

200 LITERS COMPRESSOR

Article N° 1 045

Supplier : **TOOLAIR**
Type : **C-200-540B**

State of the article : **6.0 New**

Number :

With pressure switch, pressure regulator, water separator, cooling, forced draft
With tank and air flow pressure gauge, 2 quick couplings
With wheel set
With electrical circuit breaker
Belt driven motor and aggregate

TECHNICAL DATA

Tank capacity: 200 lt.
Air sucked in: 540 lt./min
Air flow at 7 bar: 410 lt./min
Max pressure : 11 bar
Cylinder: 2
Motor voltage: 400 volts
Motor power: 3 kW
Speed: 1200 min⁻¹
Circuit breaker fuse: 16 A
Electric cable: 1.5m
Sound pressure level LpA 74 dB
Dimensions WxDxH: 1510x520x970 mm
Weight: 98kg
