

100 LITERS COMPRESSOR

Article N° 1 173

Supplier : **TOOL AIR**
Type : **C-100-450A**

State of the article : **6.0 New**

Number :

With pressure switch, pressure regulator, water separator, cooling, forced draft
With tank and air flow pressure gauge, 2 quick couplings
With wheel set
With electrical circuit breaker
Belt driven motor and aggregate

Technical data
Tank capacity: 100 lt.
Air sucked in: 450 lt./min
Air flow at 7 bar: 310 lt./min
Max pressure : 11 bar
Cylinder: 2
Motor voltage: 400 volts
Motor power: 2.25 kW
Speed: 1100 min⁻¹
Circuit breaker fuse: 10 A
Electric cable: 1.5m
Sound pressure level LpA: 72 dB
Dimensions WxDxH 120 x 460 x 880 mm
Weight: 72kg
