

REFRIGERATOR 318RW

Article N° 1 520

Supplier :

Type : **VD-318RW**

State of the article :

Number : **1**

- Energy consumption in 24 h 0.29 kWh
- Refrigeration part
- Shelving in the door and / or bin 5
- Storage compartments in the refrigeration section. 6
- Bins in the refrigeration section 1
- Energy efficiency A ++
- Independent type of construction
- Total useful capacity 320 liters
- Useful refrigeration capacity 228 liters. Freezing capacity 92 liters
- CE / GS / CB certifications
- Refrigerant R600a
- Climate class ST
- Sound level 42 dB (A)
- Electronic control system
- Defrosting Automatic
- Right hinge
- Door (s) 1
- Integrated freezer compartment Yes. NoFrost No
- Weight (net) 72.0 kg. White colour
- Voltage / Frequency 220-240 / 50Hz
- Guarantee 24 Months (2 years)
- HxWxD 1852x590x660 mm
