

UNIVERSAL DRILLING UNIT UP TO Ø 35 mm.

Article N° 1 004

Supplier : **FEIN**
Type : **KBU35Q**

State of the article : **6.0 New**

Number :

Extremely durable construction thanks to a solid design with hinged motor cord protection sleeve. Designed for use in harsh conditions in industry and crafts.

Optimal power-to-weight ratio thanks to a compact weight-optimized construction and a HIGH POWER FEIN 1100 W motor with high rotational speed stability for reliable and profitable work.

Thanks to right / left rotation, electronic speed adjustment and total lift of 260mm, universal use, such as core drilling, twist drilling, tapping as well as chamfering and cutting. bore, is possible.

Small and light.

Concept of simple use and not confusing, clearly visible by the user.

Additional magnetic switch in the drill stand.

Quick tool-less cutter change system.

Electronic tachometer regulator.

High magnetic force.

Integrated cooling lubricant reservoir.

Reversible right / left handwheel.

Tilt sensor.

Memory Function for memorizing the rotation speed.
