

PUNCHING-SHEARING MACHINE 400 KN

Article N° 1 116

Supplier : **PEDDINGHAUS**
Type : **PEDDIBASIC**

State of the article : **6.0 New**

Number :

Smaller pla - big performance. The Peddi Basic is the metalworker's basic hydraulic model combined with punch. It has a punching force of 400 kN. Whether long or round square hole - the result is high quality, the process is extremely fast and quiet. The integrated flat steel scissors cut flat steel up to 300 x 12 mm or 100 x 15 mm. Each cut is fast, without deformation and noise.
