

REFRIGERATOR 135 L A ++

Article N° 1 374

Supplier :

Type : **VS-135L**

State of the article : **6.0 New**

Number :

Energy consumption in 365 days 91 kWh
Energy consumption in 24 hours 0.2 kWh
Shelving in door and / or bin 3
Storage compartments in the refrigeration section. 3
of which adjustable 2
Bins in the refrigeration section 1
Energy efficiency: A ++
Type of construction: independent
Type: refrigerator
Total useful capacity e: 135 liters
Useful refrigeration capacity: 135 liters
Climate class: N ST
Sound level: 41 dB (A)
Fridge defrost: manual
Hinge: right
Door (s): 1
Integrated freezer compartment: No
Height (product): 850 mm
Width (product): 545 mm
Depth (product): 583 mm
Weight (net): 30.0 kg
White colour
Voltage: 230 V / Guarantee: 24 Months (2 years)
